

ROGERS MEMORIAL HOSPITAL FOUNDATION 17th Annual Golf Outing July 16, 2012 The Legend at Brandybrook

GENERAL INFORMATION

A Golf Outing That Makes Life Worth Living

Your participation in the 17th Annual Golf Outing truly makes a difference for those suffering from mental illness.

In 2011, the event raised a record \$85,000. This equates to more than 250 days of free treatment in our partial hospital and residential treatment programs.

For patients and families, this is a lifesaving gift!

We wanted to thank the Foundation for the generous gift card and the two-week grant. They both were very welcomed gifts especially in light of the longer than expected stay at Rogers. Because of the nature of her illness, we had to stay in Oconomowoc the whole time she was there. Your gifts made a difference.

— A Grateful Family
